For Young Actors

TELEVISION FILM THEATRE

MUSICAL THEATRE COMMERCIALS VOICEOVERS & ANIMATION

The PREPARATION of an audition is where confidence is built and confidence is freed. Through analysis of the character, and breakdown of the scene or song, we offer a comprehensive approach to help young actors:

- sharpen their audition skills
- understand direction and adjustments
- make strong choices
- relax and have confidence in their audition
- create a natural, believable character that is uniquely their own
